You are cordially invited to a reception in honor of

*A Delegation of seventeen Members of the Parliament from the
European Union*

*(The delegation, accompanied by representatives of private sector energy companies, is visiting
Sacramento to participate in the European Energy Forum:
EU/US Low Carbon Energy Dialogue.)*

*On Tuesday, May 13, 2008
4:30 pm to 6:00 pm*

*State Capitol, Room 125
Sacramento, California*

*Hosted by The University of California at Berkeley's Institute of
Governmental Studies-Center on Institutions & Governance and
The Senate Office of International Relations*

*The purpose of the forum is to facilitate the reciprocal exchange of information between parliamentary
representatives, members of the European Commission, European civil servants and other authorities and, principally,
the industrial and scientific sectors of all other interested parties. The delegation will be meeting with the California
Environmental Protection Agency; the California Air Resources Board; and key political and legislative leaders and
staff.*
